Landscape, public space and garden design

Selection of Projects at HOSPER

Leidschendam-Voorburg Vlietvoorde

Design of the Vlietvoorde landscape framework, centered around a natural landscape, the rich cultural history of the site, archaeology, nature and recreation. On behalf of the municipality of Leidschendam-Voorburg, design 2017-present.

Rotterdam Hoogvliet Breede Vliet

Urban design and design of the outer space of a psychiatric nursing home which can eventually be transformed into a neighbourhood. On behalf of Argos Zorggroep, in cooperation with SEED Architects and VNL Architecten. Design 2016-present.

Dokkum Market

Design for the public space of the Dokkum Market, to accommodate the fountain offered to 11 Frisian cities in the context of the 2018 Cultural Capital. In collaboration with Birthe Leemeijer (artist fountain) and Enno Zuidema, commissioned by the municipality of Dongeradeel. Design 2016-present.

Naaldwijk Wilhelmina Square

Open plan process in which a new design has been made for the main square of Naaldwijk together with different interest groups. An important part of the planning process was the functional use of the square for terraces, weekly markets and various events. In cooperation with Mevrouw de Voorzitter. Commissioned by the municipality of Westland, design 2016-present.

Brussel Guldenvlieslaan

Design for a city centre street, where a busy traffic route and urban quality are combined. In collaboration with Rijnbout, MINT, Atelier Ruimtelijk Advies and IMD. Commissioned by the Brussels Regional Office. Design 2016.

Beringen (Belgium)

Urban plan and design of public space for a location in the centre of Beringen. A monumental school building becomes the administrative centre (town hall), the library will be expanded and new apartments will be built. In cooperation with Zicht op Zee Architecten en Achtergael Architecten. Commissioned by Cordeel, design 2016.

Voorschoten Roosenhorst

Design for the landscape and urban development of Location Roosenhorst, in a vulnerable landscape and socially sensitive area. In collaboration with Zeinstra Veerbeek Architects, Alba Concepts, IBB Kondor, Aveco de Bondt WSP Infra and Frisia Makelaars. Commissioned by Volker Wessels Vastgoed, Design 2016.

Monster De Duinen

Urban and landscape vision for the new neighbourhood De Duinen - the dunes- in the Westlandse Zoom development area. Commissioned by Ontwikkelingsmaatschappij De Westlandse Zoom, design 2016.

Markenbinnen Boerensluis

Design to improve the experience of a former farmer's sluice as part of dike reinforcement. Commissioned by HHNK, design 2016.
