Selection of Projects at HOSPER

Perm Strategic Master Plan, Perm, Russia

Commissioned by city management of the Russian city of Perm, the structural plan for the whole city is being drawn up. This agglomeration of 1 million inhabitants, situated on the river Kama close to the Russian Urals, is being renovated in all aspects. The Bureau Alle Hosper is designing the landscape and public space components of the plan in conjunction with the overall urban plan drawn up by KCAP, 2008 - 2009.

Urban plan for residential and recreational area Heerhugowaard Zuid

Capacity study, typology study, urban planning design and layout of the exterior spaces for part four of the plan, commissioned by the municipality of Heerhugowaard. Elaboration of a residential area of 400 residences and recreational surroundings, 2001-present.

Design for the redevelopment of public spaces in the centre of Zuidhorn

Design sketch and definitive design (first and second phase) for the public spaces in the centre of Zuidhorn in an open planning process with the municipality, residents and interested parties. Commissioned by the municipality of Zuidhorn, 2005 - present, in execution.

Urban development plan Bodegraven Weidefeld

Commissioned by the municipality of Bodegraven, an urban development plan for 800 residences on the south-eastern side of Bodegraven was prepared. Elaboration at the level of cabling, architectural guidelines and public spaces, 2004 - 2006.

Burgemeester Jamessingel Gouda - sub-project in the development of the light railway zone

Commissioned by the municipality of Gouda a provisional design has been created for the redevelopment of this profile in which the RijnGouwelijn (Rhine Gouwe Line) must be integrated. In cooperation with the Arjan Karssen bureau, 2006-present.

Bruggen Slaan, vision for the Sprong Purmerend canal

Multiple submissions for the master plan of two bridges over the North Holland Canal in order to connect the town centre with the new Kop van West. In collaboration with M3H architects, commissioned by the municipality of Purmerend, 2007.

Urban development plan Hasselt om de Weede

Master plan and partial elaborations for Hasselt om de Weede: A unique residential landscape based on the major landscape qualities in the plan area and the immediate surroundings of natural areas such as Olde Maten, Wieden and Weerribben. 1150 residences and plan area of 100 hectares, 2006 - present.

Urban planning design Plan Part 3 in Heerhugowaard

Commissioned by the municipality of Heerhugowaard, together with the agency v-eld, an overall design for a residential district with 370 residences encompassed in a recreational area was elaborated, 2006 - present.
