Selection of Projects at HOSPER

Circulair Heritage Parkstad Limburg

Design Research into a network of circular heritage in Parkstad Limburg. In conjunction with M3H architects, GIDZ, Remco Rolvink spatial strategies and Carmela Bogman objects, products and spaces. Commissioned by Stimuleringsfonds Creatieve Industrie, 2014-present.

Redevelopment IJsselkade and Groenmarkt Zutphen

The main purpose of the plan is to redesign the IJssel quay as an attractive boulevard and entrance to the historic town of Zutphen and to refurbish the Groenmarkt. In collaboration with the DG groep. Commissioned by the municipality of Zutphen. Design 2012-present.

Design exterior space Zonnehuis Care Home Amstelveen

Commissioned by Zonnehuisgroep Amstelland and MJ de Nijs projectontwikkeling a plan was made for the exterior spaces of the Zonnehuis nursing home and the residential complex De Ontmoeting. In collaboration with the DG Groep, Bureau Fonkel, Dementia Services Development Centre, Rijnboutt architecten, architectuurcentrale Thijs Asselbergs and Octatube. Design 2009-2014, implementation 2011-present.

Perm Strategic Master Plan (Russia) (*1st prize Grand Prix Architecture Biannual 2010 Moscow*)

Commissioned by city management of the Russian city of Perm, the structural plan for the whole city is being drawn up. This agglomeration of 1 million inhabitants, situated on the river Kama close to the Russian Urals, is being renovated in all aspects. HOSPER designed the landscape and public space components of the plan in conjunction with the overall urban plan drawn up by KCAP. In cooperation with KCAP Architect&Planners, Systematica, Pöyry, Tavenor Consultancy, Fakton, Allies and Morrison. Commissioned by Perm City Administration CPB, 2008-2010.

Design village park Vijfhuizen (*Nomination Arie Keppler Award 2007*)

Commissioned by the municipality of Haarlemmermeer a design was made for the layout of a village park, which makes the connection between the old village of Vijfhuizen and the new district Stellinghof. Design 2003-2005, implementation 2004-2005.

Masterplan Meerstad Groningen (*invited competition, 1st prize*) (*included in the Yearbook Landscape Architecture and Urban Design 2001 - 2003*)

Commissioned by the Municipality of Groningen and Slochteren, Groningen Province, the Water Board, Ministry of Agriculture and the DLG and in an open planning process the Meerstad Masterplan came into being. The assignment includes 10,000 homes, 135 hectare business park, a lake of 600 hectares, 450 hectares of greenery and 350 hectares of ecological network. In collaboration with KCAP. Design 2001-2005, implementation 2009-present.

Ecological City Park Grolse Weide Groenlo (*Dutch submission European Planning Award 2004*)

Commissioned by the municipality of Groenlo, a design sketch was created for the expansive green intermediate area between two former factory complexes. In the design open spaces were laid out to guide the eye to the surrounding area. In collaboration with Willem Overmars Ecologisch Advies, 2003-2004, partially implementation 2006.
